

# My Hero Academia

R-Chain By U/PriorPossible834

A new world awaits you, one of heroes and excitement but also corruption and broken dreams. It is a world where the human race developed the mighty powers needed to make their dreams reality... and squandered it on hatred. Perhaps you've been here before but now Renegade attend to your tasks.

Decrypting...

Decrypting...

**Location:**

R-Kun can place you anywhere within this world up to a month removed from the start of cannons events, keep your travel time and task constraints in mind,  
Renegade.

**Age And Gender:**

Keep your tasks in mind, but beyond that it is no care of mine, pick whatever you want.

**Missions:**

While some missions are mutually exclusive if you complete the mission of a higher rank the rewards of the lower ranks are yours as well.

The rewards granted to you for completion of your tasks are yours to do with as you please, take as many or as few as you want.

**Izuku Midoriya:**

The focal point of this setting is a powerless child that wishes to become a hero despite the overwhelming evidence telling him he can't. Perhaps it is kindness to teach him the truth of reality.

**Level 1:**

You must prevent Izuku Midoriya from entering UA Academy for heroes, completing this task will earn you the following rewards.

**Rewards:**

**Word Vomit**

By allowing yourself to speak your train of thought aloud you become able to enhance your deductive and analytical abilities by an order of magnitude.

**Power Nerd**

You become a genius at power analysis able to determine the strengths and weaknesses of your own powers or those of anyone else with ease

**Level 2:**

You must persuade Izuku Midoriya to give up on becoming a hero, more difficult than the previous, his well-being after the fact is irrelevant. Completing this task will earn you the following rewards.

**Rewards:**

**Real-Time Strategist**

You possess unreal talent at applying information, allowing you to in seconds create plans beyond what your colleagues could achieve in hours.

### **No Pain No Gains**

The more painful and potentially damaging the training the greater the benefits you gain from it, but be warned this does nothing to mitigate the risks of that training only increases the benefits.

### **Level 3:**

You must take Midoriya's place as the Successor of All Might. This is the most difficult task and if it is achieved you will gain the following rewards.

#### **Rewards:**

##### **The Perfect Vessel**

Any powers you receive from an external source are at their most powerful and easily controlled by you, If applied to One For All for example you would be able to use 100% power immediately along with the Quirks of your predecessors.

##### **One For You**

One for All is a power that grows over time making the next generation stronger than the last, a nice sentiment but not very useful for your needs, you have access to a substantially more selfish version of this ability. Every one of your abilities will improve slowly over time, it may take years to see tangible results but those results will be YOURS no one else's.

##### **Katsuki Bakugou**

An arrogant youth blessed with power and ambition, you must demonstrate your superiority to this barking pup Renegade.

### **Level 1**

You must take first place in the UA entrance exam this will deny Bakugou that position, completing this task will earn you the following rewards.

#### **Rewards:**

##### **Inner Socialization**

Your behavior is largely irrelevant to social interaction, if people consider you to have something in the way of inner good within you you can act however you please and they'll treat it as a normal conversation.

##### **Red-Hot Determination**

You've never been one to give up and your willpower reflects this, you are able to power your way through most hardships with ease.

#### **Level 2**

You must take first place in the UA Sports festival, Bakugou if allowed to give a speech will pledge to take this spot, Completing this task will earn you the following rewards.

#### **Rewards:**

##### **Pressure Makes A Diamond**

You will always be able to increase the difficulty level of any training or battle you find yourself in, the greater the challenge you place on yourself the greater you become after overcoming it.

##### **I'll Break Myself**

No matter how badly you are injured you will always be able to recover, as long as you're alive there is nothing you can't come back from.

### **Level 3**

You must humble Bakugou, he must admit to others and himself that you are superior to him, completing this task will earn you the following rewards.

#### **Rewards:**

##### **Explosion**

You secrete a nitroglycerin substance that you can detonate at will, you have great resistance to the explosions generated by this power.

##### **Explosive Potential**

Within every person is the wall called potential, you are able to break that wall for each of your powers. It is an exceptionally painful process that requires immense willpower to complete but it raises the potential of your abilities by an order of magnitude.
